

**DANIEL BOONE DISTANCE RIDER ~ TEAM COMPETITIONS**  
**Rules of the Game!**

**Team Roster:**

A Team Roster is comprised of a minimum of 3 to a maximum of \*10 DBDR members in good standing. You may only be on one team.

\*\*Team members are required to enter/ride at least one (1) DBDR member sponsored ride to acquire points. May be a DBDR ride or a DBDR member managed ride. If a team member does not meet this requirement, his/her points will be deleted at the end of the season. Team Captains will submit the ride that this is accomplished with each of the team's members. This is to insure that each team rider who competes for team points is a participant in the well being of Daniel Boone Distance Riders. All other ride points count, but must include at least one ride as described above.

**Bonus Rider:** Extra credit points for

1. Jr. Member, (as required by AERC).
2. New members of DBDR during the years of 2016 & 2017
3. DBDR members that have never been on a team.

A roster is to be submitted to the points Sec. By the **Team Captain** prior to the first ride you wish to count for points. (The December and January rides will be grand fathered in).

**Team Captain** is responsible for sending ride results to the **Team Competition Secretary** within 30 days of the completed ride.

Team secretary is Janice Taylor. Please send to my email address. [janusstudio@gmail.com](mailto:janusstudio@gmail.com)

You must have your team made up before the first ride you wish to have points counted. That can be any time of the year, **but best if done before February**. \*There will be no mid-year changes as in the past.

Your teams points are counted during the same season as AERC. December 1 through November 31.

Team Rosters will be published on the DBDR blog, <http://dbdr2015.blogspot.com/2016>  
As will the rider points throughout the year.

**Point accumulation:**

- The points are figured according to the points chart which will be published on our website. Or I will send you a hard copy requested.
- A few extra points are acquired if placing in the top ten for 50 miles and up. Extra points for 25 through 45 miles go to 6th place.
- No extra points for BC
- Ties within the same team will not count as a tie for points, but placed accordingly.

**Example** Team A, ties for 1st. Will be counted as 1st and 2nd. Team A and team B tie for 1st, then each receive 1st place points.

To finish a team at a single day ride, there must be (3) three finishes. \*On a multi-day ride there must be (3) three finishes over the course of the days. A multi-day ride is counted as one event. The three finishers are comprised of (3) riders. \*Not (2) as was last year. (If you show up at a ride with only two team riders, you will not have a team no matter how many days you ride.) If more than (3) team members finish a ride, then all finishes count.

**BONUS RIDERS:** A bonus rider as described above will accumulate ½ again as many points per mile.  
Example: 25 miles = 37.5 pts, 50 miles = 75 pts. Etc.

**RIDE MANAGERS:** DBDR member ride managers, will receive the maximum of points per mile. Example:  
25/50 mile per day ride, = 50 pts.

**VOLUNTEERS:** DBDR team member volunteers will receive ½ per mile points when they put in a full day of work.. 25/50 mile that day's ride = 25 pts.

\*denotes permanent changes to the rules.
