

# DANIEL BOONE DISTANCE RIDER - TEAM COMPETITIONS

## Rules of the Game!

**Team Roster:** A Team Roster is comprised of a minimum of 3 to a maximum of 10 DBDR members in good standing. If a team member has not paid at the time of the ride, their points will not be counted. You may only be on one team.

Team members are required to complete at least one (1) DBDR or DBDR member sponsored ride to be qualified. If a team member does not meet this requirement, his/her points will be deleted at the end of the season. Team Captains will submit the ride that is accomplished with each of the team's members. This is to ensure that each team rider who competes for team points is a participant in the well being of Daniel Boone Distance Riders.

Bonus Rider: Extra credit points for 1. Jr. Member (as required by AERC )  
2. New members of DBDR during the current year season.  
3. DBDR members that have never been on a team.

A roster is to be submitted to the points Sec. By the **TEAM Captain** prior to the first ride you wish to count for points. (The December and January rides will be grand-fathered in.)

**TEAM Captain** is responsible for sending the ride results to the Team Competition Secretary within 30 days of the completed ride.

**Team secretary** is Tammi Thomas. Please send to [tammimedina@gmail.com](mailto:tammimedina@gmail.com)

**As follows: Name of Ride, Ride Manager's name, Dates of Ride, Rider, Miles and Placing.**

You must have your team made up before the first ride you wish to have points counted. That can be any time of the year, but best if done before February. \*There will be no mid-year changes as in the past. Your team's points are counted during the same season as AERC. December 1 through November 31.

**Team Rosters** and rider points will be published to the Facebook Group "Daniel Boone Distance Riders Teams" throughout the year.

### Point accumulations:

The points are figured according to their points chart which is published on our website and on the DBDR Facebook page. Or will send you a hard copy if requested.

A few extra points are acquired if placing in the top ten for 50 miles and up. Extra points for 25 through 45 miles to 6th place. No extra points for BC. Ties within the same team will not count as a tie for points, but placed accordingly. Example Team A ties for 1<sup>st</sup> will be counted as 1<sup>st</sup> and 2<sup>nd</sup>. Team A and team B tie for 1<sup>st</sup>, then each receive 1<sup>st</sup> place points.

**Competitive Trail Rides:** Riders will get points for miles completed (25 miles = 25 points), no bonus points for placement but bonus points will be given if the rider qualifies as "Bonus Rider".

**Bonus Riders:** A bonus rider as described above will accumulate ½ again as many points per mile.  
Example 25 miles = 37.5 points., 50 miles = 75 points.

**Ride Managers:** DBDR member ride managers will receive the maximum of points per miles. Example 25/50 mile per day, = 50 points. Your team does have to have at least 2 riders completing to get Ride Manager points.

**Equithon:** One point for each mile ridden/walked/ran. Must have at least one team member to finish the LD or Endurance miles. No bonus points for placement but bonus points will be given if the rider qualifies as "Bonus Rider".

**Intro miles** One point for each mile ridden. Must have at least one team member to finish the LD or Endurance miles. No bonus points will be given for placement, but bonus points will be given if the rider qualifies as "Bonus Rider".
